

How do you move in a world of fog that's  
always changing things  
Makes wish that I could be a dog

I'm makin' monsters for my friends  
I'm makin' monsters for my friends

I'm makin' monsters for my friends

I can't remember now  
I can't remember now  
I can't remember now  
I can't remember now

I got a lot to say  
I got a lot to say  
I got a lot to say  
I got a lot to say
